# GET CONNECTED TO THE LEGISLATURE

## FROM REP. DAN KRISTIANSEN 39<sup>TH</sup> LEGISLATIVE DISTRICT

Information about the Legislature is as close as your keyboard and your television. There are plenty of ways to get involved and stay informed on issues important to you. Please don't hesitate to contact me with your concerns, questions and opinions.

Sincerely,

Dan Kristiansen

## GO INSIDE THE LEGISLATURE, ONLINE

Want to look up a bill? A law? Our state Constitution? You can do all this and find a wealth of other useful information at the Legislature's Internet home page, shown here (<http://www1.leg.wa.gov/legislature>).

Type the Internet address (officially known as the URL: it's the line beginning with "http") in the address line of your computer's Internet browser, and press "enter." Use your mouse or key commands to move around the web page.

Here's a great link to start with: "Participating in the Process" will tell you all about how laws are made in Washington.

Look for "links" (they're underlined, or in a different color, or both) and click on the ones you want to explore.

Follow the directions, if given. It's that simple!

# REP. DAN KRISTIANSEN

## 39<sup>TH</sup> LEGISLATIVE DISTRICT

The Internet is a great tool for becoming "wired" to the Legislature and other parts of state government, but there's nothing like connecting in person. I would be happy to speak to your group, organization or school about issues before the Legislature, how the legislative process works, what it's like to be a legislator, and issues specific to the 39th Legislative District.

## NEED A TELEPHONE NUMBER?

Consult the state online telephone directory at <http://dial.wa.gov> for numbers of state, county, city and other government agencies, or the government pages of your local telephone directory (usually marked in blue toward the front).

## WATCH OR LISTEN TO TVW

TVW (TV Washington), a non-profit public affairs network, broadcasts the Legislature during session on cable TV throughout the state. Its Internet site ([www.tvw.org](http://www.tvw.org)) allows you to listen to legislative presentations, debates and votes as they happen. Also available online is a huge archive of audio files from past legislative and other governmental action. Call TVW for programming information at (360) 725-3999, or visit TVW's website at [www.tvw.org](http://www.tvw.org).
